The Alpha Bed Flat Pack

Alpha Steel Bed Range Available in Single, Double, Queen, King

The Alpha bed **must** go into cabinetry as the bed lift mechanism gets fixed to the sides of the cabinetry box. The leg of the bed swings out from over the top of the bed frame.

Alpha Flat pack

The DIY Flat pack includes the bed frame and mechanism plus the cabinetry.

The cabinetry has a choice of:

- Surrounding cabinetry box
- Surrounding cabinetry box with side shelves
- Surrounding cabinetry box with side shelves, cupboard and drawers

The bookshelf sizes displayed on the cabinetry dimension (refer page 3) are our standard size. Some variation to the width of these may be possible to suit your room size.

Extra charges may apply for any variation.

1. Alpha Steel Bed Frame Mechanism Only

Consists of the steel bed frame, spring mechanism, springs & full instructions which includes the cut size list for the cabinetry.
